

To our valued parcel and courier customers

After careful consideration we are announcing that Kindersley Transport Ltd. will stop servicing the small parcel Courier market effective June 10, 2024. This shift will allow us to focus on our core business, Canadian domestic LTL service.

Kindersley will continue to service your LTL needs.

In preparation of this change, we have arranged with our sister companies Canpar & Loomis Express to support your business. The Canpar & Loomis Express team are prioritizing your account set up so you can take advantage of their robust network of terminals, real time track & trace and best in class customer service team.

Canpar and Loomis Express will honor your current Kindersley courier express rate agreement.

Over the coming days, representatives from Canpar & Loomis Express will be in touch with you to discuss your parcel and courier needs and how they can continue to provide you with the customer service you are accustomed to.

We thank you for your business and look forward to continuing to meet your Canadian domestic LTL needs.
